January 2020

AVALON VILLAGE HOMEOWNERS ASSOCIATION

Hello Avalon Village Homeowners,

The Annual Election in December did not meet quorum, because of that we will be re-attempting to reach quorum (a minimum of 75 votes per the Association's governing documents) for an election this January. If you have already submitted a proxy, they will continue to be valid until quorum for the election is met. If you have not submitted a proxy please visit the www.avalonvillagehoa.com website and download the proxy in the Documents section. Next, e-mail or mail in the proxy to either: avhoaquestions@gmail.com or the mailing address above.

If you can attend the meeting in person for election voting purposes, the next meeting will be held on **January 27th from 6-8pm at the Abby's Pizza on Echo Hollow.**

The Avalon Village HOA will be working with the organization Friends of Trees to plant trees on the parking strips following the removal of multiple birch trees. This will be a topic further discussed at our next meeting.

The HOA has asked the Board's Attorney to review what constitutes the Common Areas. Following their review, the Board will be determining action to take on landscaping on front lawns in the Isles. This will be a topic further discussed at our next meeting.

Thank you,

The Avalon Village HOA Board
